## First Steps with Zotero

**Date:** Monday, February 24, 2025 **Time:** 8:00pm - 8:30pm **Presenter:** Kelly Blanchat **Location:** Online

Learn how to manage your research, take notes, and create a bibliography with [Zotero](#) [1]. Yale users can create a free account with unlimited storage!

Attendees will learn how to:

- Set up Zotero on your computer
- Save and organize citations from Yale Library and around the web
- Generate a bibliography with formatted citations
- Enable unlimited cloud storage with an @yale.edu account

Before this session, students are welcome to download Zotero (optional). For instructions, see [guides.library.yale.edu/citationmanagement](https://guides.library.yale.edu/citationmanagement) [2].

**Audience:** This workshop is intended for anyone new to using Zotero. Students, faculty, and staff are welcome to attend.

**Registration:** Required for access to the Zoom room. You will also receive a reminder email 1-hour before the event.

Students interested in this workshop might also be interested in "How to Find Scholarly Articles" and "Demystifying the Literature Review." For individual support, reach out to your [Personal Librarian](#) [3] or [Subject Specialist Librarian](#) [4].

Any student who attends at least 3 library workshops this semester will be eligible to receive a Yale Library tote bag. [Learn more about the Workshop Incentive Program](#) [5].
