Introduction to how the US Federal Government influences Your Life and Research

Date: Tuesday, February 18, 2020  Time: 5:00pm - 6:00pm  Presenter: Kenya Flash  Location: Bass L01-A

Did you know that the government is involved in almost every aspect of your life? From what you see (the ratings system in movies), what and how you get your music, the what and how of the way you learn (Department of Education), the government affects it all.

After this session, participants will be able to:

- Identify discussions/expert testimony on a variety of issues
- Locate and/or track laws on a variety of topics
- Locate regulations (to comment before they passed- this is where we can get involved), and after they are passed.

Recommended Pre-work: Bring laptop and/or issues you are interested in tracking

Recommended Audience: Everyone

Timing: 60 minutes
