

## Accessing Arts Library resources during winter recess

December 21, 2015

Although the Robert B. Haas Family Arts Library will close at 5 pm this Wednesday, December 23rd and reopen at 8:30 am on Monday, January 4, 2016 (for more details, see the [building hours page](#) [1]), Yale affiliates still have access to all of our electronic resources during winter recess. You can find Arts-specific databases on the [Arts Databases page](#) [2] and many others in the [A-Z databases list](#) [3]. Don't forget that you can also [search for eJournals by title](#) [4]. Many E-books can be accessed through [Quicksearch](#) [5], our new online search that combines Orbis and Morris records.

If you are traveling off-campus for the break, you'll need to connect to the Yale network via VPN to access these resources. There have been a few changes to this process since Multifactor Authentication (MFA) was implemented this semester. For help, see this [guide to logging in to CAS from off-campus](#) [6] and the [Yale ITS](#)
