

## Pamphlets and papers

Certain pamphlets, reports, and unpublished materials are treated in an archival manner by the Divinity Library. YDSL has created several so-called "record groups" for these materials, each of which differs in its structure or level of detail. Record groups have been established to organize pamphlets related to various subject areas: e.g. , New England church records, Congregational church records, non-mission religious and benevolent societies, war and peace, social ethics.

### [Yale Faculty Publications and Writings \(RG 27\) \[1\]](#)

This record group primarily consists of offprints and copies of periodical articles and chapters from multi-author books. It is a mechanism for keeping a consolidated file of YDS faculty writings.

### [Religious Educational Institutions \(RG 33\) \[2\]](#)

This record group documents theological seminaries and religious schools.

### [Religious and Benevolent Societies and Organizations \(RG 34\) \[3\]](#)

This record group contains non-monographic pamphlets documenting a variety of non-foreign mission organizations.

### [Yale Divinity School Theses and STM Research Papers \(RG 41\) \[4\]](#)

This record group contains STM and other YDS theses dating from 1939 to 1995.

### [New England Church Records \(RG 48\) \[5\]](#)

This record group contains non-monographic pamphlets documenting individual churches in the New England states.

### [Papers of the Catholic Apostolic Church \(RG 55\) \[6\]](#)

This grouping of monographic and non-monographic material has been treated archivally for reasons of convenience. ORBIS records will be created for the material as time allows.

### [Congregational Church Records \(RG 56\) \[7\]](#)

This record group of pamphlets and printed material relates to the Congregational denomination and churches of Congregational polity (excluding individual churches in the New England states).

### [Issues of Peace and War Pamphlet Collection \(RG 61\) \[8\]](#)

This record group contains pamphlet material documenting organizations involved in issues of peace and war as well as topically arranged printed material.

### [Social Ethics Pamphlet Collection \(RG 73\) \[9\]](#)

This record group contains primarily non-monographic pamphlets related to various organizations and topics that were collected by Liston Pope, former Professor of Social Ethics, and Dean of the Divinity School.

### [Reference Collection of Unpublished Papers \(RG 95\) \[10\]](#)
