
Headings Index

The headings index summarizes your Subject Browse search results in groupings of subject headings. Each heading may have one or more titles, and also may provide cross-reference information.

To display the titles associated with a heading, click on the underlined heading to jump to a list.

To follow the See or See Also reference(s) related to the Heading, click on the blue highlighted link. This will take you to a new headings index where you can select more relevant headings and titles.

Example:

[Twain, Mark, 1835-1910](#) [1] (1211) personal name

- Search Also Under: For works of this author written under other names, search also under Clemens, Samuel Langhorne, 1835-1910, Snodgrass, Quintus Curtius, 1835-1910 Louis de Conte, 1835-1910
