Find Data Sets

Yale University Library has over 11,000 data sets ranging from statistical data to linguistics corpora, to GIS data, to image data sets. You can easily find data sets by selecting "Data sets [1]" from the format facet:
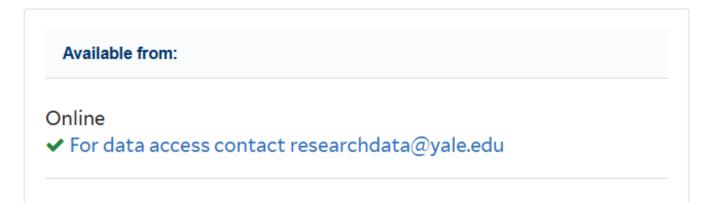

In addition to "Data sets" selected from the format facet, to find a specific kind of data set, you can add an additional Form/Genre from the Subject (Genre) facet such as:

- Statistics [2] (for numeric data sets)
- Text corpora [3] (for text data sets)

- Image [4] (for image data sets)
- Geospatial data [5] (for geospatial data sets)

Subject (Genre) ⌄

Data sets	11,189
Text corpora	491
Databases	202
Sources	180
Statistics	173
Speech corpora	140
Sound recordings	138
Census data	113
Records and correspondence	65
Newspapers	59

more »

Although most of our data sets are freely available to the Yale University community, some data sets are restricted by license or usage agreements, which requires consulting with library staff. In such a case, you see this link text in a bibliographic record.
