Official Card Catalog OCLC Skip List

OCLC will skip the following types of cards:

- guide cards
- cards for headings
- cards for references
- cards representing added entries (author and title)
- RLIN-printed cards
- temporary slips
- cards for “in” analytics that do not provide (1) the title of the analytic (2) a description of the parent item and (3) an indication of the location of the analytic in the parent item
- cards representing material in one of the following languages: Chinese, Japanese, Korean, Persian, Arabic, Hebrew, and Yiddish. However, OCLC will process cards with non-Roman alphabet characters representing materials in all other languages, including Greek and Russian. OCLC will update matching WorldCat records only; OCLC will flag for the attention of Yale staff cards for which a matching record is not found.
- cards representing microforms in the following sets:
  - Early American Imprints (Microprint 7)
  - Early English Books (Film S2663 Film S618)
