

Undocumented Locations

Official Card Catalog Undocumented Locations

The following locations were encountered by OCLC staff in the Official Catalog and did not appear on either the SKIP list or the PROCESS list. Consequently, OCLC staff skipped and flagged cards with these locations. When CMT staff members encounter such flagged cards they should consult this document to determine the appropriate action to be taken.

Location/Call Number	Action to be taken by CMT staff	Background
Uncat (any letter). E.g., B uncat 3187 or L uncat 434	Search for a record in Orbis. If a matching record is found, the card can be discarded. If no record is found, file the card in the "undocumented locations" box.	These are temporary cards, and most represent items already cataloged.
BABB James T. Babb JTB	Skip	These represent books cataloged or to be cataloged for Beinecke Library.
Bonaparte Collection [No. 8845]	File the card in the "undocumented locations" box.	These cards probably represent books at Beinecke.
Connecticut and Historical MSS Room	File the card in the "undocumented locations" box.	Items represented by these cards appear to have been recataloged for SML Mss & Archives. Checking finding aids in Mss & Archives in the future should resolve any problems.
Connecticut Hall	Skip	This collection was dispersed.
Conservation Library	File the card in the "undocumented locations" box.	Conservation Library was an earlier name of the Forestry & Environmental Studies Library.
Documents Room Ref	File the card in the "undocumented locations" box.	Once part of the reference collection in SML, this collection was apparently moved to Government Documents in Mudd.
E (Physical geog.)	File the card in the "undocumented locations" box.	The books represented by these cards are probably at Mudd at the beginning of the Old Yale "E" range.

Henry Taylor	Skip	These cards are purchase requests, purchase records, or accessions, and the books they represent have been cataloged for Beinecke.	
Inst. Far East Lang.	File the card in the "undocumented locations" box.	The Institute ceased to exist in 1965, and its functions were split between two university departments, the Dept. of East Asian Languages and Far Eastern Publications. The books these cards represent, if they still exist, are probably housed with one of the departments. Yale University Library may have ceased to take responsibility for this collection at some point.	
Institute of Human Relations Administr. OR Human Relations Area Files (HRAF)	Skip	Yale University Library appears to have no responsibility for the books represented by these cards. However, if the collection still exists, it is likely to be part of the Human Relations Area Files (HRAF), an independent research agency of Yale University started by the Institute. HRAF are all on microfiche in the microtext room.	
Jackson-Lafayette Collection	Skip	The books represented by these cards were accessioned by Beinecke.	
N Defer +235	File the card in the "undocumented locations" box.
