

Searching for 541 Gift Information in the Cataloging Module

The screenshot shows a search interface window titled "Search" with a blue header. Below the header are four tabs: "Keyword", "Index Selection", "Builder", and "History". The "Keyword" tab is active. Underneath, there are three radio button options for search methods: "Boolean (not using relevance)", "Free Text (using relevance)", and "Holdings Boolean (not using relevance)". The "Holdings Boolean" option is selected. Below these options is a text input field labeled "Search for:" containing the text "div and gift and attridge". At the bottom of the window are five buttons: "Do Search", "Cancel", "Clear", "Limit...", and "Remote...".
