Header First Menu

MSSA Add New link to Research menu: Structure > Menus > MSSA Min Menu > Add link
"Using Special Collections at Yale" under -- Research,
=> Link will show up both Research Block and Research Dropdown  The default space need to add more height

in Firefox vs. compare smaller font size (in IE)

If need add the height:

Site > All > themes > yul > css > yul-yul-default.css
   Find .context-mssa #zone-menu .research-block-nav .cont to change height

   .context-mssa #zone-menu .research-block-nav .content {
      height: 175px;
   }

   Do the same change for yul-yul-default-narrow.css and yul-yul-default-normal.css
