

Using Library Theme - Testimonies Site

Need enable testimonies site to use library theme:

sites > all > themes > yul > yul.info + add this line "allowed_sites[] = testimonies.library.yale.edu"

Request Library Theme deploy to testimonies site (contact ITS Massaro, Vincent <vincent.massaro@yale.edu [1]> and Pasko, Kimberly <kimberly.pasko@yale.edu [2]>)

"Yale University Library" Theme should appear in "Appearance > Settings", set it to default, and start to work from here

Create 'YUL Wordmark' block

- Machine name: yul_wordmark
- Block Description: YUL Wordmark
- Block Body: <h2>Yale University Library</h2>

Create 'Menu
