MARC holdings and 590 notes for books and scores with accompanying audio/video recordings

Sound and video recordings, CD-ROMs, and USB drives that accompany a book or score are shelved separately, not with the book or score itself.

**Sound and video recordings**

In addition to the barcode for the book or score, assign a barcode to the sound recording as well.

If the book or score is being sent to commercial bindery, attach a note saying "Accompanying _____ shelved with sound recordings" to the bindery slip. When the item is returned from being bound, "Accompanying _____ shelved with sound recordings" will be stamped on the item.
