Note: this page was created with music cataloging in mind.

[Date associated with the person](#) (9.3) | [Title of the person](#) (9.4) | [Fuller form of name](#) (9.5) | [Other designation](#) (9.6) | [Gender](#) (9.7) | [Place of birth, death, country, and residence; address](#) (9.8-9.12) | [Affiliation](#) (9.13) | [Language](#) (9.14) | [Field of activity](#) (9.15) | [Profession or occupation](#) (9.16) | [Biographical information](#) (9.17) | [Identifier for the person](#) (9.18)

[\(9.3\) Date associated with the person](#)

[\(9.3.1\) Basic instructions on recording dates](#)

A date associated with the person is a significant date associated with a person (e.g., date of birth, date of death).

[\(9.3.1.2\) Sources of information](#)

Take information on dates associated with the person from any source.

[\(9.3.1.3\) Recording dates associated with persons](#)

Record dates associated with persons, applying these instructions, as applicable:

- ° date of birth (9.3.2)
- ° date of death (9.3.3)
- ° period of activity (9.3.4)

Record a date associated with a person by giving the year or years in terms of the calendar preferred by the agency creating the data.

- ° **LC practice/PCC practice:** Record dates in terms of the Gregorian calendar.

Example:

born November 28 (December 10), 1821, died December 27, 1877 (January 8, 1878)
Julian calendar dates precede the Gregorian calendar dates, which are in parentheses
record the Gregorian dates: 1821-1878

Exception: If two or more persons have the same name and are born in the same year, see [9.3.2.3](#) for instructions on recording their dates of birth.

Type of date

probable date
year is uncertain but known to be
either one of two year
approximate
period of activity

Record the date

with a question mark following the year
in the form *[year]* or *[year]*

in the form *approximately [year]*
in the form *[year]–[year]* or *[century]–[century]*
if either year can only be approximated, precede it with the word
approximately

Record dates as separate elements, as parts of access points, or as both.

- ° See [Date of birth and/or death](#) [3] (9.19.13) and [Period of activity](#) [4] (9.19.1.5) for additional instructions on recording dates as parts of authorized access points

Exceptions:

- ° Title of nobility: Add a title of nobility only if the title or part of the title commonly appears with the name in resources associated with the person or in reference sources.
- ° Disregard reference sources dealing with the nobility.
- ° In case of doubt, add the title.
- ° Saint: Do not add Saint to an access point representing a pope or an emperor, empress, king, or queen.

[\(9.3.2-9.3.3\) Date of birth and date of death](#)

Date of birth is the year a person was born.

- ° Date of birth may also include the month and day of the person's birth.

Date of death is the year a person died.

- ° Date of death may also include the month and day of the person's death.

[\(9.3.2.2-9.3.3.2\)](#) Sources of information

Take information on date of birth and date of death from any source.

[\(9.3.2.3-9.3.3.3\)](#) Recording [date of birth](#) and [date of death](#)

Record the person's date of birth and the date of death of a deceased person, applying the basic instructions on recording dates associated with persons at [9.3.1](#).

If the person was born in the same year as another person with the same name, record the date of birth in the form *[year] [month] [day]*.

- ° Record the month in a language and script preferred by the agency creating the data.

LC practice/PCC practice for recording date of birth:

- ° Record the month in English.
- ° Use a hyphen after date of birth when recording the date in an authorized access point.
- ° Do not use the term "born" with the date.

LC practice/PCC practice for recording date of death:

- ° Use a hyphen before the date of death when recording the date in an authorized access point.
- ° Do not use the term "died" with the date.

[\(9.3.4\)](#) Period of activity of the person

Period of activity of the person is a date or range of dates indicative of the period in which a person was active in his or her primary field of endeavour

[\(9.3.4.2\)](#) Sources of information

Take information on period of activity of the person from any source.

[\(9.3.4.3\)](#) Recording period of activity

Record a date or range of dates indicative of the person's period of activity, by applying the basic instructions on recording dates associated with persons at [9.3.1](#).

If it is not possible to establish specific years of activity, record the century or centuries in which the person was active.

LC practice/PCC practice:

- ° Use "active" and "century" rather than the abbreviations "fl." and "cent."
- ° The term "active" should appear before the first period of activity date (e.g., "active 12th century")

[\(9.4\)](#) Title of person

Title of the person is a

- ° word or phrase indicative of royalty, nobility, or ecclesiastical rank or office
- ° term of address for a person of religious vocation.

[\(9.4.1.2\)](#) Sources of information

Take information on the title of the person from any source.

[\(9.4.1.3\)](#) Recording titles of persons

Record the title of the person by applying the instructions below, as applicable.

- ° See RDA 9.4.1.4 (Titles of royalty), 9.4.1.5 (Titles of nobility), and 9.4.1.6-9.4.1.8 for religious titles.

Record titles as separate elements, as parts of access points, or as both.

- ° See [Title or other designation associated with the person](#) [5] (9.19.1.2) for additional instructions on recording titles as parts of authorized access points.

[\(9.5\)](#) Fuller form of name

A fuller form of name is the full form of:

- ° a part of a name represented only by an initial or abbreviation in the form chosen as the preferred name,
or
- ° a part of the name not included in the form chosen as the preferred name.

The most common instances occur when the preferred name contains initials and the spelled out form is known. Less common instances occur when known given names, surnames, or initials are not chosen as part of the preferred name.

[\(9.5.1.2\)](#) Sources of information

Take information on fuller forms of names from any source.

[\(9.5.1.3\)](#) Recording fuller forms of names

If a fuller form of a person's name is known

and the [preferred name](#) [6] (9.2.2) does not include all of that fuller form

then, record, as appropriate:

- the fuller form of all the inverted part of the name (given names, etc.)
and/or
- the fuller form of the part of the name recorded as the first element of the name (surname, etc.)

Record fuller forms of names as separate elements, as parts of access points, or as both.

◦ See [Fuller form of name](#) [7] (9.19.1.4) for additional instructions on recording a fuller form of the name as part of the authorized access point.

Variant names: Record the name in its fuller form as a [variant name](#) [8] (9.2.3.10), when appropriate.

[\(9.6\) Other designation associated with the person](#)

Other designation associated with the person is a term other than a title that is associated with a person's name.

[\(9.6.1.2\) Sources of information](#)

Take information on other designations associated with the person from any source.

[\(9.6.1.3\) Recording other designations associated with the person](#)

Record other designations by applying the instructions below, as applicable.

- [9.6.1.4](#): Saints: For a Christian saint, record *Saint*
- [9.6.1.5](#): Spirits: For a spirit, record *Spirit*

Record other designations associated with the person as separate elements, as parts of access points, or as both.

◦ See [Title or other designation associated with the person](#) [5] (9.19.1.2) for additional instructions on recording a designation as part of the authorized access points.

[\(9.7\) Gender](#)

Gender is the gender with which a person identifies.

[\(9.7.1.2\) Sources of information](#)

Take information on gender from any source.

Indicate the source of information by applying the instructions at [8.12.1.3](#):

- When recording other identifying attributes of a person indicate, when appropriate, the source from which the information was derived.
- Cite other sources consulted that provided no information of use in establishing the preferred name.
 - » Record *No information found* following the citation for the source consulted.

[\(9.7.1.3\) Recording gender](#)

Record the gender of the person as a separate element using an appropriate term from the following list:

- female
- male
- not known

If none of the terms listed is appropriate or sufficiently specific, record an appropriate term or phrase.

Record gender as a separate element.

Gender is not recorded as part of an access point.
