

Types of staff searching in Voyager

[Music Cataloging at Yale](#) [1] ? [Orbis and OCLC](#) [2]

Note: this page was created with music cataloging in mind.

This page demonstrates the differences between four types of non-keyword, staff searches using the same search key.

The search key is "**bach johann**"

The four staff searches are the names search, staff names search, staff subject headings search, and staff name/title headings search.
