Getting Started

The library's web site, web.library.yale.edu, is based on a Drupal content management system. Its Drupal instance, called [YaleSites](#) [1], is run by Yale University ITS. Basic information is available at [YaleSites](#) [1].

Login

- To login go to <http://web.library.yale.edu/cas> [2] and use your netid and netid password.
- Once you've successfully logged in you will see the black Administrator's toolbar at the top of your browser window.

Navigation

The Administrator's toolbar allows you access to

- Dashboard: a central location with information about site content and recently updated files.
- Content: this is where you go to create a page by selecting Add Content.
- Structure: access menus and taxonomies.
