

CT GIS Day 2017

November 9, 2017

CT GIS DAY AT YALE 2017

November 15 at Kroon Hall from 8:30am-4:30pm

Explore mapping innovations with the Connecticut and Yale GIS communities. This day-long celebration—part of international GIS Day, which showcases applications of geographic information systems (GIS) technology worldwide—includes panel discussions, presentations, workshops, networking opportunities, and a GIS Day Cake Reception.

The event is open to the entire community. For the full schedule, please visit the [official page](#) [1]. To register, please visit the [Eventbrite page](#) [2].

Present at CT GIS Day at Yale

Poster and Story Map Contests

There will be a digital poster session on display throughout the day as well as a digital Story Map contest. Submit your map and you may win an Amazon gift card! Deadline to submit: 11:59pm, November 12.

Google Earth Engine Lightning Talks

Submit a proposal for a 3-minute Lightning Talk on an Earth Engine Project. The talks will be presented during a breakout session at CT GIS Day. You may choose to introduce a spatial analysis project that uses Earth Engine or delve more deeply into a geospatial aspect of the work. Deadline to submit: 11:59pm, November 12.
