

Summer Screening Schedule

May 9, 2025

We're bringing you a cross-country crime caper, a swoon-worthy retelling of a classic romance, a sci-fi thriller that predicted our future a little too well, and a game-changing indie hit.

The Yale Film Archive presents a summer full of films, all free and open to the public. Tell your friends and help us spread the word!

Screenings take place on the lower level of the Yale Humanities Quadrangle, located at 320 York Street, between Elm and Grove in New Haven.
