Projectionist Request Form

This form goes to Classroom Technology and Event Services (CT&ES), which will arrange for the projectionist service. CT&ES must receive the completed screening reservation form at least **three weeks in advance of the screening date**. It is important to observe this deadline: CT&ES cannot guarantee the availability of a projectionist with fewer than three weeks' notice. If you have questions, it is strongly advised that you contact [Anthony Sudol](#) [1] to discuss your screening needs before submitting this form.

Cancellations must be made by 12:00pm one full week in advance of the screening; otherwise, you will be responsible for full payment of the projection fee.

Unless arranged in advance, CT&ES is not responsible for any of the following:

- booking the film rental or paying rental fees
- public performance rights for non-course and event screenings
- payment of shipping charges

Fees: CT&ES does not charge for regularly-scheduled course screenings, unless additional equipment or services are requested. For event screenings of 35mm, 16mm, or DCP, projectionist fees are \$60/hour with a four-hour minimum (minimum cost: \$240). Fees vary for Blu-ray, digital files, and other formats; contact [Anthony Sudol](#) [1] for specifics. For additional audio-visual needs, such as microphones, see the [estimate of fees](#) [2].

Print(s) should be shipped directly to:
