Digital Collections System Access

Service Owner Lauren Biatowas

YUL Service Domain [Digital Collections Services](#) [1]

Alias DCS, Blacklight, Management

Short Description: This service provides access to millions of digitized works and images. New materials are added regularly.

Description Yale Library Digital Special Collections provides online access to millions of works, images, and audiovisual materials. Image and text-based digital collections are currently represented online primarily in the Digital Collections System (DCS). In time, all collections will be made available in the DCS.

Visibility No visibility restrictions

How do I access it?

The Digital Collections System is available at <https://collections.library.yale.edu/> [2].

Is there a specific area that your user can go to for help?

If the DCS becomes unavailable, users can submit a Service Now ticket and the system will be restored as quickly as possible.

Are there Rates & Charges Associated to this Service Offering? No
