

Berg Fashion Library now available online through the Yale Library

The Berg Fashion Library features 7,000 easy-to-search images as well as full-text searching across e-journals, e-books, and reference works such as the 'Encyclopedia of World Dress.' This interdisciplinary content is great not only for scholars of fashion but also for those interested in history, anthropology, dramaturgy, and more! Connect through Yale Library to visit the database online: www.bergfashionlibrary.com [1]
