
Ergonomic lap desks now available in Bass Library!

The lapdesks, provided by the Yale chapter of Design for America, are lightweight and ergonomic. They have been specially chosen to reduce wrist, back, and other types of injuries incurred through repeated laptop usage. Lapdesks are available for checkout at the Bass Library circulation desk for use in Bass Library only.

Features:

- ? Built-in wrist rest
- ? Integrated side storage pouches
- ? Built-in mouse pads
- ? Micro-bead lap pads
- ? LapShield added for extra safety, which blocks EMF/EMI and heat from your lap
