

Reflections on the First Anniversary of the Library's Digital Strategy: A Conversation with University Librarian Susan Gibbons

Time flies. It is one year since Susan Gibbons announced a digital strategy for Yale University Library, addressing issues of policy and governance, technical infrastructure, and metadata standards. There's a lot more to digitization than meets the eye, such as the need for digital preservation and the navigation of legal issues. Susan Gibbons, the University Librarian, recently had a conversation with Elizabeth Beaudin, Director of Digital Initiatives, about this first year. For more, on this conversation, check out the latest Digital Initiatives and Technology Newsletter produced by the Library: <http://enews.library.yale.edu/digital/august2013.html> [1]
