New Exhibition: Treasures from Japan in the Yale University Library

January 20, 2015

We are delighted to announce the new exhibit [Treasures from Japan in the Yale University Library](#) [1] at Beinecke Library from January 16th to April 2nd. Complementary exhibit catalogs are available at Beinecke Library Security Desk upon request. The catalog features articles written by Prof. Edward Kamens, Prof. Daniel Botsman, Ellen Hammond, Joshua Frydman and other researchers from Japan.
