

Visit Yale University Library exhibitions this summer

June 24, 2015

Spend some time this summer exploring a wide array of exhibitions at the Yale Library! A full list of current and upcoming exhibitions all across the Yale University Library system can be found on the [Yale Library Calendar](#). [1] This includes exhibitions from the Medical, Divinity, Law, Arts, Music and East Asia libraries, as well as the Center for Science and Social Science Information and the various display spaces in Sterling Memorial Library.
