

Missions & world Christianity photos searchable online

November 13, 2015

A collection of photographs from the Divinity Library is now searchable through [Yale Library's Digital Collections](#) [1]. Relating primarily to missions & world Christianity from 1855-1978, the photos can be sorted by date, with the earliest being from the papers of Henry Harris Jessup, missionary to Syria from 1856-1910.
