

Module Ten of Archivision images added to Artstor

March 31, 2016

Six thousand new images from Archivision are now available for search and download, including Herzog & de Meuron's DeYoung Museum, Taos Pueblo, and the Japanese Tea Garden in Golden Gate Park. These images, purchased by the Arts Library as a supplement to Artstor's architecture holdings, are in [Artstor](#) [1] along with the previous nine modules—bringing you close to 3 million images in total.
