

Tour Yale Library's Center for Preservation & Conservation

April 7, 2016

As part of the United Nations Global Colloquium series of events, visit the new home for library preservation & conservation at 344 Winchester Avenue, New Haven on Thursday, April 14 from 10:00 am -12:00 noon. The Yale University Library's Preservation Department supports the library's mission by ensuring continued access to its collections through a program of specialized expertise, proactive stewardship, and collaboration. All are welcome! Please pre-register for the event [here](#). [1]
