

Connecting the Dots and Dotting the Eyes

June 7, 2016

Join us on Thursday, June 9 at 1pm in the SML Lecture Hall, for a talk on "Connecting the Dots and Dotting the Eyes" by Susan H Forster, MD, Chief of Ophthalmology at Yale Health. The talk will focus on understanding visual processing when observing a piece of visual art.

Dr. Susan Forster is a Clinical Professor and Director of Medical Studies for the Department of Ophthalmology and Visual Science at Yale, and Chief of the Ophthalmology Department at Yale Health. Internationally recognized in the area of medical education, she is the current president of the Medical Student Educators Council of the American University Professors in Ophthalmology and the Medical Student Education Committee for the International Council of Ophthalmology. A comprehensive ophthalmologist, her formal education includes an AB from Harvard, MD from Columbia College of Physicians and Surgeons, and a residency and fellowship at Yale New Haven Hospital.
