

Building a sense of one Yale Library: Q&A with Susan Gibbons

August 1, 2016

When Yale President Peter Salovey and Provost Ben Polak recently announced the reappointment of Susan Gibbons as university librarian and deputy provost, they called her a “consummate university citizen” whose leadership has elevated the university’s reputation on the national and international stages. As part of her reappointment, Gibbons is taking on new responsibilities as deputy provost for collections and scholarly communication to support the university’s museums, galleries, and other collections. She spoke with YaleNews about her new responsibilities and her plans for the library over the next five years. [Read more.](#) [1]
