A trial for a Chinese language database, *Collection of Chinese Literature and History database ???????* [1], has been set up for Yale University users from now to November 30, 2017.

*Wenshi Ziliao ???* has been considered as an important primary source for scholars of twentieth-century China. *Collection of Chinese Literature and History database ???????* [1] is part of Chinamaxx Digital Libraries. The database contains full texts of more than 20,000 volumes (650,000 articles) of publications arranged by regions and provinces. The articles are mostly first-person narratives on history, culture, politics, economy, literature and ethnicity etc.

Please follow the steps listed below to get access to this database:

2. Click “Click to enter”
3. Click “?????” under “SuperStar Specialty”

*User guide* [2] is available online. Since the access is controlled by Yale IP ranges, you have to login Yale *VPN* [3] first to get access from off-campus locations.

Please feel free to contact *Michael Meng* [4], Librarian for Chinese Studies, if you have any questions about the trial.
