

A trial for a Chinese language database from the National Library of China, [Zhongguo li shi wen xian zong ku. Jin dai bao zhi shu ju ku ??????~??????](#) [1], has been set up for Yale University users from now to November 10, 2018. The database has been added to [Library's Chinese studies research guide](#) [2]. Since the access is controlled by Yale IP ranges, you have to login Yale [VPN](#) [3] first to get access from off-campus locations.

Digitized the contents from the comprehensive collections of the National Library of China with the supplements from other Chinese libraries, the first series of *Zhongguo li shi wen xian zong ku. Jin dai bao zhi shu ju ku* contains 100 titles (more than 600,000 pages) of Chinese national and local newspapers published between 1911 and 1949. Major national newspapers include , and major local newspapers include etc. The NLC has an ambitious plan to further expand the contents to 500 titles (more than 5,000,000 pages) through 2022. However, this is a full-image database with limited search functions by article title, page and publication date for an individual title as well as the entire database.

Certain restrictions applied during the trial period including no download and print functions. Please feel free to contact [Michael Meng](#) [4], Librarian for Chinese Studies, if you have any questions about the trial.
