A trial for a Chinese language database, *Song Tomb Inscriptions Database ?????????*, has been set up for Yale University users from now to October 31, 2018.

*Song Tomb Inscriptions Database ?????????* is the first series of Zhonghua Shuju’s ???? *China Stone Inscriptions Database ?????????*. It currently includes 6,403 items.

The trial URL is [http://inscription.ancientbooks.cn/docShike](http://inscription.ancientbooks.cn/docShike) [1]. You can also access this database through the Yale University Library’s Chinese studies research guide at [https://guides.library.yale.edu/China/](https://guides.library.yale.edu/China/) [2]. Since the access is controlled by Yale IP ranges, you have to login Yale [VPN](https://www.library.yale.edu/VPN) [3] first to get access from off-campus locations.
Please feel free to contact Michael Meng [4], Librarian for Chinese Studies, if you have any questions about the trial.
