A trial for a Chinese language database, Song Tomb Inscriptions Database ?????????, has been set up for Yale University users from now to October 31, 2018.

Song Tomb Inscriptions Database ????????? is the first series of Zhonghua Shuju’s ??? China Stone Inscriptions Database ??????????. It currently includes 6,403 items.

The trial URL is http://inscription.ancientbooks.cn/docShike [1]. You can also access this database through the Yale University Library’s Chinese studies research guide at https://guides.library.yale.edu/China/ [2]. Since the access is controlled by Yale IP ranges, you have to login Yale VPN [3] first to get access from off-campus locations.
Please feel free to contact Michael Meng [4], Librarian for Chinese Studies, if you have any questions about the trial.
