TRIAL: Song Tomb Inscriptions Database 典籍概况

September 6, 2018

A trial for a Chinese language database, Song Tomb Inscriptions Database 典籍概况, has been set up for Yale University users from now to October 31, 2018.

Song Tomb Inscriptions Database 典籍概况 is the first series of Zhonghua Shuju’s 典籍概况 China Stone Inscriptions Database 典籍概况. It currently includes 6,403 items.

The trial URL is http://inscription.ancientbooks.cn/docShike [1]. You can also access this database through the Yale University Library’s Chinese studies research guide at https://guides.library.yale.edu/China/ [2]. Since the access is controlled by Yale IP ranges, you have to login Yale VPN [3] first to get access from off-campus locations.
Please feel free to contact Michael Meng [4], Librarian for Chinese Studies, if you have any questions about the trial.
