

Seven free exhibits you can see at Yale libraries in January

January 4, 2019

Check out the following library exhibits if you are on campus in January:

["The Kings at Yale": A Martin Luther King Exhibition](#) [1] This exhibit highlights Dr. King and Coretta King's visits to Yale using images documents and other archival materials from Yale's Manuscripts and Archives. *The Nave, Sterling Memorial Library, 120 High Street, from Jan. 9 through March 1.*

[Bibliomania: or Book Madness: A Bibliographical Romance](#) [2] This exhibit highlights four case studies showcasing the often-unexpected relationships between books and their readers, owners, authors, collectors and creators. *Beinecke Rare Book & Manuscript Library, 121 Wall Street, from Jan. 18 through April 21.*

[Berkeley Divinity School: A Historical and Contemporary Perspective](#) [3] This exhibit provides visitors with different views and information about the school's origin, controversies and historical memorabilia. *Divinity School Library, 409 Prospect Street, through Jan. 25*

["To Be Ourselves in Print": Divinity Student Publications of the 1960's](#) [4] This exhibit spotlights twelve publications written, edited and produced by students of Andover Newton Theological School, Berkeley Divinity School and Yale Divinity School, between 1965 and 1971. *Divinity School Library, 409 Prospect Street, through Jan. 25*

[Selling Smoke: Tobacco Advertising and Anti-Smoking Campaigns](#) [5] This exhibit features archival materials on the history of tobacco advertising and anti-smoking campaigns. *Memorabilia Room, Sterling Memorial Library, 120 High Street, through Feb. 22.*

[Navigating the World: Geospatial Approaches at Yale](#) [6] This exhibit highlights current geospatial projects including the works of scholars from four different schools at Yale University. *24-Hour Space, Center for Science and Social Science Information, Kline Biology Tower, 219 Prospect Street, through April 1.*

[Student Research at Yale University Library](#) [7] This exhibit highlights research done in Yale University Library collections by four students, each of whom has curated one section of the exhibit. *Exhibition Corridor, Sterling Memorial Library, 120 High Street, through May 4.*

In addition, [tours of the Cushing Center](#) [8], home to a unique historical collection of brain specimens and other materials related to the history of neurological medicine, are offered on Thursdays, Fridays and Saturdays. The Cushing Center is located in the Cushing/Whitney Medical Library. The Beinecke Library will host [introductory tours](#)
