Subscribe to new digital version of Nota Bene

March 25, 2021

Nota Bene, Yale Library's much-loved newsletter since 1987, has been reborn in digital form. Nota Bene, Yale Library's much-loved newsletter since 1987, has been reborn in digital form. The <u>second online issue</u> [1] features stories about a new exhibition space in Sterling Memorial Library, a new tool for preserving digital collections, an international collaboration to decipher a rare library manuscripts, and more. <u>Subscribe online</u> [2], selecting "Yale Library News."

When Nota Bene debuted in 1987, then University Librarian Penny Abell said it would "foster a general awareness of the library's great strengths." This new digital format, to be published monthly, aims to continue the legacy. <u>Subscribe online</u> [2], selecting "Yale Library News."

This story originally featured stories from the inaugural issue of Nota Bene. It was updated on May 13, 2021, with information and links for the second issue.
