

Artist Studio Archives: Workshops for Artists

March 2, 2022

The Arts Library is hosting a week-long Artist Studio Archives workshop series covering basic concepts and tools for managing your studio archives –the stuff you keep that documents your creative practice and legacy. We invite you to join in one or all the workshops in the series. This series is online and open to the public. Find more details and registration information [here](https://web.library.yale.edu/news/2022/03/artist-studio-archives-workshops-artists?page=6) [1].
