

Upcoming Events: Artist Book Hour

August 23, 2024

Join us at the Haas Arts Library for a peek at artist books from the library's special collections! The term "artist book" can be hard to define. Simply put, an artist book is an art object inspired by the form and/or function of a conventional book. Haas Arts Library has thousands of artist books in its special collections. We invite you to join in one or all the events in the series. This series is in-person and open to the public. Find more details and registration information at the links below:
