Introduction

This collection contains article-length publications and unpublished papers by Yale faculty, primarily from the Divinity School. These writings have been gathered into the collection in order to provide a consolidated repository for the works of Yale Divinity School faculty, past and present. This is not a comprehensive collection but rather consists of writings that have been given to the library by current or past Yale faculty members. The collection does not contain writings of individuals for whom we have separate personal papers collections (see list below). Booklength writings by faculty members are included in the Library's regular cataloged collection.

Writings of faculty members for whom the library has personal papers collections are not included in this record group. These include:

- Ahlstrom (Sydney) Papers ([RG 83](#))
